The Mendocino Unified School District prohibits discrimination, intimidation, harassment (including sexual harassment) or bullying based on a person's actual or perceived age, ancestry, color, disability, ethnicity, gender, gender expression, gender identity, genetic information, immigration status, marital status, medical information, national origin, parental status, pregnancy status, race, religion, sex, sexual orientation, or association with a person or group with one or more of these actual or perceived characteristics. For questions or complaints, contact Equity Officer/Title IX Compliance Officer: Jason Morse, Superintendent, 44141 Little Lake Road, P.O. #### **General Information**

- 1. Short Term Substitute: A substitute teacher working less than three weeks in the same classroom consecutively, and paid at the substitute rate of \$185.00 per day.
- 2. Long Term Substitute: A substitute teacher working more than three weeks consecutively in the same classroom is paid at the long-term substitute rate of Step 1/Column 1 minus \$5.00, or \$260.25 per day.
- 3. In order to be a Long Term Substitute, the teacher must have a regular credential (Single Subject, Multiple Subject, SPED, etc.), not a 30 Day Emergency Credential.
- 4. When a certificated employee is to be out on a leave and a long term substitute is hired in advance of that leave, the substitute will be compensated at the rate of the long term substitute from day one of his/her assignment. A long term substitute will be allowed to take one day of personal necessity leave per month.
- 5. When a certificated employee is out on an emergency leave and the substitute is hired on a day to day or week to week basis, the substitute will begin to receive long term substitute pay only after working as a substitute for fifteen consecutive days.
- 6. Those with an emergency credential cannot work more than 30 calendar days in the same classroom (20 days in special education classes). If you are interested in getting a Teaching Permit for Statutory Leave (TPSL) which would allow you to take a long term substitute teacher position, you can apply for a permit. See Erin Placido in the district office for details.
- 7. Time sheets are due to the District Office prior to the 20th of each month, and should be turned in at the site level for approval. Substitute teachers will be paid on the 10th of the following month. All pertinent information must be completed or time sheets will not be processed
- 8. A half-day substitute works half of the 7.5 hour instructional day and is not provided a lunch period.
- 9. During a preparation period a substitute should complete work as assigned by the teacher of record or report to the office administrative assistant for other assignments.
- 10. A half day substitute is paid \$92.50 per day.
- 11. A full-day substitute works the entire 7.5 hour instructional day and is provided a duty free lunch.
- 12. If a substitute teacher is being paid for a full day, he/she is required to remain and work at the school site for the full 7.5 hour instructional day, excluding a 45 minute duty free lunch, and excluding early release on Fridays. A full time substitute is paid \$185.00 per day.
- 13. Substitute teachers are expected to arrive at the school site 15 minutes prior to beginning of the instructional day and should check in with the site Administrative Assistant.
- 14. When a substitute teacher is called for service on the day needed, the substitute teacher is expected to report to the school site within one hour. The substitute coordinator will usually try to call a substitute by 7:00 a.m.
- 15. A substitute teacher is expected to be available for any special assignments that fall within the teacher's responsibility during the instructional day. If this special assignment is to provide noon duty service, the substitute teacher will be provided an alternate duty-free lunch period.
- 16. Substitute teachers may be asked to perform duties as would be required of the regular classroom teacher, including teaching during a prep period.
- 17. Emergency Procedures: each classroom has a first aid backpack, exit route map, and flip chart by the door. Please familiarize yourself with drill procedures for any site you may be assigned to.
