Transportation for Students with Disabilities

The Governing Board shall ensure that appropriate transportation services are provided for students with disabilities as specified in their individualized education program (IEP) or accommodation plan. The District shall make home-to-school transportation available for students at no cost to parents/ guardians as specified in the student's IEP.

The Superintendent or designee shall establish criteria and procedures for determining the most appropriate mode of transportation for an individual student based on identified needs as determined in the IEP or accommodation plan.

The Superintendent or designee shall arrange transportation schedules so that students with disabilities or handicaps do not spend an excessive amount of time on buses compared to other students. Arrivals and departures should not reduce the length of the school day for these students except as may be prescribed on an individual basis.

The Superintendent or designee shall establish procedures-ensure compatibility between mobile eating devices and bus securement systems.
