WHEREAS, school districts in the State of California are authorized, subject to duly noticed public hearings and other requirements as specified by law, to form a maintenance assessment district to defray the cost of improvements as defined in Streets and Highways Code section 22525;

WHEREAS, such maintenance assessment districts may be formed under the Landscaping and Lighting Act of 1972 (the "Act") commencing with Streets and Highways Code section 22500 et seq.;

WHEREAS, a resolution initiating proceedings was duly adopted by this Board on **April 21, 2021**;

WHEREAS, a resolution of intention to form the maintenance assessment district was duly adopted on **May 20, 2021**;

WHEREAS, pursuant to the resolution of intention, a public hearing was scheduled for **June 22, 2021**, as set forth in the resolution of intention;

WHEREAS, it appears to be in the best interest of the Mendocino Unified School District, its school children, and the citizens it serves in providing recreational facilities which are made available by the District to residents within the Mendocino Unified School District to form a maintenance assessment district to defray the cost of much needed maintenance and improvements required as a result of the public use and participation in the District's recreational facilities;

WHEREAS, the Board considered all the oral statements and any written communications made or filed by interested persons at the public hearing as described above;

WHEREAS, the Board determined, based upon the Engineer's Report, and staff testimony at the hearing, that the formula or method for apportioning the assessment on the assessable lots and parcels of the land within the District was apportioned among the several lots or parcels in proportion to the estimated benefits to be received by each lot or parcel from the improvements, as defined under the Act and as set forth in the Engineer's Report based upon the formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each lot or parcel from the improvements as defined under the Act;

WHEREAS, the adoption of this Resolution shall constitute a levy of an assessment for the fiscal year **2021-2022** in the amount as set forth in the Engineer's Report;

NOW, THEREFORE, the Board of Education of the Mendocino Unified School District resolves as follows:

1. Adopts the foregoing recitals as true and correct.

Said report shall remain the Engineer's Report of the District subject to any new improvements or substantial changes as set forth in the Act.
3. Adopts this Resolution as the levy of the assessment in the amount as set forth in the Engineer's Report, for the fiscal year **2021-2022** with respect to all assessable lots and parcels of land within the District, as described in the Engineer's Report, except as to railroad, gas, water, or electric utility, or electric line right-of-way as described in section 22595 of the Streets and Highways Code and except as to those public properties as set forth in section 22663 of the Streets and Highways Code.

6. Authorizes the costs of the improvements including incidental expenses pursuant to section 22526 of the Streets and Highways Code and the Engineer's Report. Monies collected pursuant to the Maintenance District shall be received in accordance with law as set forth in Chapter 5 (Financial Provisions) of the Act, commencing with section 22655 of the Streets and Highways Code and shall be expended for the improvements authorized and as set forth in the Engineer's Report.
