Be EPIC!

Principal's Message

Overlooking the village of Mendocino and the Pacific Ocean, the original Mendocino High School was dedicated in 1894. We are currently nearing the end of a three-year remodel and facility upgrade project. The updated and improved learning environment takes advantage of the natural surroundings and promotes student and staff interaction and collaboration. The Mendocino High School and Mendocino Community High School together serve about 165 students from Mendocino Unified School District and neighboring districts. Mendocino High School offers a traditional college preparatory program, while Mendocino Community High School is a smaller "school within a school" that offers students a close-knit, family-like learning community.

For a small school, Mendocino High School offers a rich diversity of classes, including a fully developed Career Technical Education program with six pathways of study. Alternative Education Week takes place during one week in the spring where students break from their regularly scheduled classes to participate in unique educational experiences and adventures on and off campus. We also support a robust dual enrollment program with Mendocino College and were recently recognized as a California Exemplary Dual Enrollment School.

Many of the programs we have developed over the years, from a standards-based grading philosophy to a multi-tiered system of supports for academic, behavioral and social-emotional needs, have served our students well resulting in excellent graduation rates, college placement, and some of the top standardized test scores in the county. We continue to build on and improve our systems as well as supporting the many varied needs of our students. Together, we strive for Excellence, Perseverance, Investment and Citizenship. Be EPIC!

School Mission Statement

The Mendocino High Schools honor the district motto of "Learn, Explore, Create," by providing a variety of rigorous and relevant programs that empower each student to strive for excellence through perseverance, personal investment, and productive citizenship.

School Vision Statement

Located in a small town of great natural beauty, the Mendocino High Schools are based on a foundation of strong personal relationships and respect for the whole child. We foster an individualized approach to education that inspires students to find their passions and develop strengths that will prepare them for college, career and lifelong learning. Through relevant and engaging learning experiences, all students are encouraged to strive for excellence, to persevere with creativity and resilience, to invest and engage in their education, and to be positive, productive and informed citizens of local and global communities.

Parental Involvement

Parents have the opportunity to participate in a variety of activities such as the School Site Council, Mendocino Unified Schools Enrichment (fundraising and program enrichment), Club Cardinal (athletic boosters) and parent forums with the Principal. Parent volunteers are also invited to help with special events, presentations, field trips, and to support a variety of school programs such as athletics and class activities. Parents are invited to attend annual adviser conferences, a range of college and career guidance events, and awards ceremonies. For more information on how to become involved, contact Principal Tobin Hahn at (707) 937-5871 or thahn@mendocinusd.org.

School Safety

The school safety plan emphasizes the important relationship of student safety and security to student learning. The school safety plan includes the following:

- Child abuse reporting procedures
- Disaster response procedures
- Suspension and expulsion policies
- Discrimination and harassment policy
- A schoolwide body positive dress code
- Yearly goals for a safe social and physical environment

The school safety plan was last reviewed, updated and discussed with the school faculty in August 2024.

School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

District Mission and Vision Statement

Our vision is to provide an integrated learning community that fosters creativity, compassion and civic responsibility in a way that maximizes personal development.

Learn. Explore. Create.

Board Priorities

- Develop and expand community partnerships and communication
- Increase learning and achievement for all students, families and staff
- Plan wisely for the future while maintaining fiscal integrity
- Maintain and improve the physical plant

Enrollment by Student Group

The total enrollment at the school was 152 students for the 2023-24 school year. The pie chart displays the percentage of students enrolled in each group.

Demographics

Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Types of Services Funded

There are a variety of services funded by categorical funds and other funds such as grants. These services include career and college exploration, personal and group counseling, tutorial classes, intervention services, school gardens and art instruction.

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students participating in each of the five fitness components for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

Statewide Assessments

Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade 10, 11 or 12).

CAASPP Test Results in Science for All Students

The table below shows the percent of students meeting or exceeding the State standard on the CAASPP—California Science Test (CAST) and the California Alternate Assessment for Science (CAA for Science) for grades 5, 8 and once in high school (i.e., grade 10, 11 or 12).

CAASPP by Student Group: Science, English Language Arts and Mathematics

The tables on the following pages display the percentage of students that met or exceeded state standards in science, English language arts/literacy and mathematics for the school by student groups.

The “percentage met or exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Career Technical Education Programs

Mendocino High School is a recipient of a Career Technical Education Implementation Grant and a K-12 Strong Workforce Program Grant. For a small school, Mendocino High School offers students a variety of pathways:

Cabinetmaking, Millwork and Woodworking Pathway

- Woods 70A (dual enrollment)
- Woods 70B (dual enrollment)
- Advanced Woodworking

Design, Visual, and Media Arts Pathway

- 2-D Design
- 3-D Design
- Ceramics
- Photography
- AP 2-D Design

Production and Managerial Arts Pathway

- Broadcast Production
- Music Production
- Video Production

Many of the CTE courses offered are also A-G approved and meet rigorous academic standards. We also run a work-based learning program that places students into internships with industry partners.

Engineering and Technology Pathway

- E-Lab
- Electronics

Food Service and Hospitality Pathway

- Beginning, Intermediate and Advanced Culinary

Plant and Soil Science Pathway

- Horticulture
- Botany

Admission Requirements for the University of California (UC) and California State University (CSU)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu>.

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu>.

Graduation and Dropout Rates

This table displays the graduation and dropout rates for the most recent three-year period for which data is available. The four-year adjusted cohort graduation rate is the number of students who graduate in four years with a regular high school diploma divided by the number of students who form the adjusted cohort for the graduating class. From the beginning of grade 9 (or the earliest high school grade), students who are entering that grade for the first time form a cohort that is "adjusted" by adding any students who subsequently transfer into the cohort and subtracting any students who subsequently transfer out.

Textbooks and Instructional Materials

In the Mendocino Unified School District, all students have access to their own textbooks and instructional materials that are adopted from the most recent state-approved list. Textbooks are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education. The district adopts textbooks during the adoption cycles recommended by the state. Common Core State Standards math textbooks were purchased in 2013, 2014 and 2015. Textbooks for K-5 English language arts curriculum were purchased in 2016 and math was purchased in 2017. 6-8 English language arts textbooks were purchased in 2017 and 2018. Science textbooks were adopted in 2022-23 for grades K-5 and in 2023-24 for grades 6-8. History textbooks were adopted in 2022-23 for grades K-5.

Student Learning Outcomes

We believe in ...

Excellence

- Aim for excellence in all that you do.

Perseverance

- Use available resources to meet challenges with creativity and resilience.

Investment

- Invest in your future by taking advantage of opportunities to learn and thrive.

Citizenship

- Be a positive, productive, and informed member of local and global communities.

School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor.

School Facility Good Repair Status		2024-25 School Year
Items Inspected		Repair Status
Systems: Gas leaks, sewer, mechanical systems (heating, ventilation and HVAC)		Good
Interior: Interior surfaces (floors, ceilings, walls and window casings)		Good
Cleanliness: Pest/vermin control, overall cleanliness		Good
Electrical: Electrical systems		Good
Restrooms/fountains: Restrooms, sinks and drinking fountains		Good
Safety: Fire safety, emergency systems, hazardous materials		Good
Structural: Structural condition, roofs		Good
External: Windows/doors/gates/fences, playgrounds/school grounds		Good
Overall summary of facility conditions		Good
Date of the most recent FIT report		10/8/2024

Deficiencies and Repairs

The table lists the repairs required for all deficiencies found during the site inspection. Regardless of each item's repair status, all deficiencies are listed.

Deficiencies and Repairs		2024-25 School Year
Items Inspected	Deficiencies and Action Taken or Planned	Date of Action
Interior	Boys and Girls Locker Rooms need new doors and paint.	Repairs planned
External	Roof needs replacing at Community School, Band Room needs exterior window frame out, Community School west door needs rust removed and possible replacement. Woodshop doors need replacing.	Repairs planned

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Facilities

Construction on the original Mendocino High School, one of two original schools in the county, began in 1893. That building stood for more than 50 years before being replaced in the late 1940s. Some 70 years later, the main campus building has been renovated and modernized and other facilities are being modernized, thanks to a bond that passed in March of 2020.

The main building completed modernization and is now a beautiful facility with a new Student Union, conference room, administrative offices, library and improved classrooms, hallways and quad area. The gym and tech center have completed remodeling and updating to include more efficient use of space as well as a new culinary classroom and a new art room. The Community School is housed in another newer building with a great room, office, three classrooms, a kitchen and small meeting room. There is also a Performing Arts Center, band room and woodshop.

The district's maintenance department oversees safety, cleanliness and adequacy of school facilities, including any needed maintenance to ensure good repair. Custodians work throughout the day to keep the campus clean and safe. Classrooms and restrooms are cleaned daily. Both the custodial and maintenance staff clean and maintain the grounds throughout the day.

Students and staff enjoy a high level of safety and security on campus. They pride themselves on a sense of trust and mutual respect that allows students to leave their backpacks and other belongings in the hallways and around campus without a need for secured lockers. There is a low incidence of theft and fights among students. The school has an open-campus policy, which allows students to go into town during lunch breaks. All school activities during and after school are well supervised by staff.

Note: The data in these tables is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The data source is the California State Assignment Accountability System (CalSAAS) provided by the Commission on Teacher Credentialing. For information on the CalSAAS, visit the CALPADS web page at <https://www.cde.ca.gov/ds/sp/cl/calpadsupdfdash201.asp>.

Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

Data for this year's SARC was provided by the California Department of Education and school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at <http://dq.cde.ca.gov/dataquest>. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1.

All data accurate as of December 2024.
